"Buffering" Yearling Paddock

Red Resistance Foal

Welcome

Top 2yo **RED RESISTANCE**

once again headlines our stallion roster heading into season 2026.

RED RESISTANCE has been embraced by breeders covering 100+ mares in his inaugural season.

RED RESISTANCE was, in the words of Hall of Fame trainer Gai Waterhouse, "The dominant 2yo of his generation": some praise considering the elite company he kept...

RED RESISTANCE campaigned for the Golden Slipper of his year by defeating the subsequent Blue Diamond (G1) favourite on debut, before vanquishing subsequent Slipper winner SHINZO (Now standing at COOLMORE Australia) and Slipper 3rd KING'S GAMBIT (Standing at NEWGATE) at his next outing in the G3 Canonbury Stakes.

In his final hit out before the Golden Slipper RED RESISTANCE was valiant in defeat to eventual G1 Newmarket Handicap winner and Golden Slipper Runner-up CYLINDER (DARLEY Australia), with a distance back to Multiple G1 winning 2yo and 3 time G1 winner MILITARIZE ETC.

Connections were eager for a rematch with CYLINDER and the Slipper field held no fears for the gun colt, with leading industry player HENRY FIELD of Newgate nominating RED RESISTANCE as the number one seed in the stud's five pronged attack on that year's race.

RED RESISTANCE was withdrawn from the Slipper on race eve with an elevated temperature: we will never know what might have been, but breeders can be assured he was a 2yo of the highest order.

Entering season 2026 RED RESISTANCE has the bases loaded for his supporters having covered over 100 mares in his first

stud season, including some 21 mares from the broodmare portfolios of Telemon Stud and Go Bloodstock alone that were either stakes or Group performers themselves or the dams of stakes or Group performers. Many of this cohort of foals have developed on the same farm that nurtured Gold Edition, Buffering and Zoustar and no stone has been left unturned to give them every opportunity to emulate more recent graduates of the farm such as ABOUNDING (\$2.97M in stakes) and PARTY FOR TWO (\$841k).

RED RESISTANCE will stand for an advertised fee of \$11,000 (payment on live foal) once again in 2026, with discounts available for breeders attending the farm's stallion parade.

In 2026 Telemon offers two proven QTIS options: Qld Champion 1st season sire SUN CITY (\$8,800 PLF) and Australian Champion 2yo Colt and Champion 1st Season Sire, SIDESTEP (\$5,500 PLF).

SUN CITY has done an impressive job at stud and has sired this season's carnival stars ITCHINTOGO (BRC Phelan Ready Stakes L) and SUN WORSHIPPER (\$466k and multiple stakes placed). This handsome son of ZOUSTAR boasts a pedigree and physique to die for and is made for QTIS.

SIDESTEP (\$5,500 PLF) is a horse that needs no introduction being Champion 2yo Colt of his year and sire of a Golden Slipper winner in his first crop. He is a horse that is dear to our hearts being our foundation stallion and there is no better breed to race stallion in the land.

Rounding out our roster is young BETTER THAN READY stallion THE ODYSSEY (\$5,500 PLF). THE ODYSSEY carries the crown as "The King of QTIS" and his small group of runners in his inaugural season have shown all the promise you would expect of a horse carrying this title. He

is off the mark already with multiple 2yo winners from his first handful of runners making him an exciting horse of the future.
